

MUDSLINGERS YEAR-END STANDINGS AS OF JUNE 9, 2019

PLEASE READ:

- Those riders who have an asterisk (*) have been listed in two divisions. Their points in the two divisions are close enough that we won't know until after the two-day show in which division they will end up for year-end awards.
- This list assumes that riders are meeting all other eligibility requirements for year-end awards, including volunteer hours and selling raffle tickets. Keep in mind that if someone above your placement doesn't meet those requirements/doesn't intend to go for a year-end award, your placement will move up.
- Those on the list have either met the minimum number of shows requirement or are very close and can do so by participating in the two-day show.
